(b) if so, the reasons therefor; and

(c) the total number of seats in medical colleges and dental colleges in the country?

THE MINISTER OF STATE IN THE MINISTRY OF HEALTH AND FAMILY WELFARE (SHRI A. RAJA): (a) and (b) As per provisions of Indian Medical Council (Amendment) Act,1993 and the Dentists (Amendment) Act, 1993 and the Regulations framed thereunder, the Central Government permission is granted for starting of a Medical/ Dental College for one year.This permission is renewed on yearly basis after verification of the achievements of annual targets in respect of creation of infrastructure facilities. In case of failure of the college authorities to meet the annual target of development of infrastructure, the annual renewal of permission is not granted.The college accordingly cannot admit students unless they rectify the deficiencies to the satisfaction of the Professional Councils and the Government of India. Accordingly, permission for admission of students during 2002-2003 has not so far been renewed in respect of 27 medical and 36 dental colleges. Further, this process of renewal of permission is a continuous one and the Government renews the permission as and when the recommendations of the Professional Councils are received.

(c) As on date 192 medical and 151 dental colleges are functioning in the country. The annual intake capacity of these colleges is approximately 21, 350 and 9,580 respectively.
